

## **Permission Form: Class Directory & Picture Permission**

**Class Directory:** Each classroom has a Class Directory. This information will be shared only with your child's class. The directory will be updated whenever a new child joins the class, a child leaves the class, or if any pertinent information changes. This makes birthday invitations, playdate scheduling and the like much easier!

**Picture Permission:** We love to share photos of the children on our NLC Facebook page, occasionally on our website and in promotional materials. It is so fun and inspiring to see what our kids are up to!
