July Staff Birthdays

- 8 Angel Pimentel (Bunny Meadow)
- 16 Bri Pfeiffer (Busy Bees)
- 18 Hillary Riviere (Floater)

Keeping each other healthy!

Your family is part of OUR family! We all rely on each other to keep everyone as safe and healthy as possible. Every morning when you drop off you will be asked the following screening questions which are VITALLY important. Please—if in doubt, let us know if any of these symptoms or situations apply.

Has your child, or anyone in your household shown any of the following symptoms within the past 72 hours:

- Fever of 100.4 or above
- Cough
- Shortness of breath
- Mild respiratory illness/issue
- Chills
- Loss of taste or smell
- Sore throat
- Muscle aches
- Excessive fatigue
- Vomiting
- Diarrhea
- Headache

Sunscreen Reminder
Please apply sunscreen to your child before leaving home in the morning. If you need to apply once you arrive, please pull into a parking space before going through the health check—we are trying to keep the line moving as efficiently as possible! We will reapply sunscreen ONCE per day in the afternoon.

Has your child, or anyone in your household come into contact with a person who has tested positive for COVID-19 in the past 14 days?

Has your child received a fever reducing medication, for any reason, in the past 8 hours?

How the NLC is keeping your family safer

- Health screening for all children and staff before entering the building
- Extending our sick policy to a 72-hour policy for COVID-consistent symptoms
- Frequent handwashing breaks for staff and children
- Limited visitors to the building during NLC hours,
- Increased cleaning and sanitizing procedures including multiple scheduled cleanings of high contact areas throughout the day
- No mixing of groups of children—kids stay with their class with no combining of classes
- Encouraging individual play rather than group activities to maximize social distancing
- Providing individual sets of supplies such as crayons, etc.
- NLC provision of crib and cot sheets
- LOTS of fresh air outside! Picnic tables, brown bag lunches, and a dedicated outdoor play area for each class
- Lunch and snacks are served in the classroom or picnic style in the class' outdoor areas, rather than a communal cafeteria
- Face coverings for staff when social distancing is difficult inside, and encouraging children over age 2 to learn how to wear their mask safely and effectively
- Scrubs provided to staff members to allow them to change clothes easily and quickly when they become soiled with child secretions (sneezes, coughs, tears, etc.)
- Social distancing for adults and children as much as possible
- Communication with YOU! We are being as transparent as possible, asking for your questions and feedback and providing new information as it becomes available.

THANK YOU for doing your part to help keep us safe, too!

Our "Summer of Fun" is off to a wonderful start!

The Neighborhood Learning Center ~ Menu for July 2020

Whole milk is served to children under 2 and 2% milk is served to all others. Menus are subject to change.
