Birthday Reminders....if you wish to provide a treat:

- Discuss with your child's teacher what type of treat, timing, etc.
- They must be provided in their original, sealed packaging with the full ingredients list. No nuts permitted (peanuts, tree nuts, coconut)
- Have an Admin Staff member check for acceptability before you depart.
- Label with your child's name AND class.
- No homemade goodies, please.

Illness Reminders

Our amazing Staff cleans and sanitizes toys and surfaces at least daily. We check temperatures, watch for symptoms, and exclude a child if they appear ill. Our Admin Staff track every illness and symptom alert and ensure doctor notes are received before a child can return to care. We do all of this to keep everyone as healthy as possible, especially during this normal end-of-winter illness surge.

Here are **YOUR** responsibilities as part of our NLC Neighborhood!

- Notify us immediately if your child is diagnosed by a doctor for a communicable illness such as strep, RSV, pink eye, flu, COVID, etc. This allows us to notify other parents whose child might have been exposed.
- Bring us a doctor's note if your child is seen by a doctor for an illness—any illness.
- Let us know if your child is on a medication of any kind so we can be aware to watch for allergic reactions or side effects.

Thank you!!
