The Neighborhood Learning Center's monthly newsletter

**Important**

### Welcome to Summer!

- ☼ **New Tuition Rates** go into effect Monday, August 7. See page 5 for the new rate list.
- ☼ **Annual re-registration fees** will be processed the week of July 3rd. The fee is \$60/child for children enrolled before January 1, 2023.
- ☼ The **Annual Parent Survey** will be sent on Monday, June 5. It takes about 10-15 minutes to complete and your feedback is VITAL. We appreciate your time letting us know what went well this year and what we can do better.
- ☼ **Please let us know if your plans for the fall have changed.** We have an extensive waitlist and would like to offer any open spots to families who need them.
- ☼ Summer is filled with travel, family, and impromptu fun days! Please let us know if your child will be absent so their teacher can plan accordingly.

### Security Update

In the wake of violence around the country, several parents shared concerns regarding security at the Center. Those concerns were heard and spurred a concerted action by St. Andrew's Session (the governing body of the church) to appoint a Security Task Group to immediately audit current building security and both suggest and implement improvements. Ally Fetch, NLC Business Manager and Elder at St. Andrew, is a member of this Task Group. Please contact her with any questions or concerns at [Ally.Fetch@tnlcenter.com](mailto:Ally.Fetch@tnlcenter.com). Some of the actions taken so far include:

- ⇒ Evaluation of current security of our facility alongside the Security Task Group appointed by St. Andrew.
- ⇒ Purcellville Police was invited and came to visit our facility and walked through to become familiar with our layout so they can better respond in case of emergency, and to give us suggestions on security improvements.
- ⇒ St. Andrew applied for a federal security grant available to nonprofits including churches. Notification of awards will be made in July.
- ⇒ Exterior cameras are actively being upgraded and new ones installed.
- ⇒ A new access system for the front doors is being evaluated, as are new procedures for building access.
- ⇒ NLC staff, church staff, and church volunteers are undergoing ongoing training on new and current security procedures. A combined St. Andrew/NLC Security Procedure Manual is being drafted.
